

Incoterms Online Training

This course represents 6 hours of online instruction and training in Incoterms. Its aim is to ensure a firm foundation in the understanding and application of the rules.

The original course content was written by Professor Jan Ramberg, author of the ICC Guide to Incoterms® 2010, Vincent O' Brien, international trade specialist and Gary Collyer, Technical Adviser to the ICC Banking Commission and updated by Vincent O' Brien to incorporate the changes brought about by the Incoterms® 2020 Rules.

COURSE OVERVIEW

The training is divided into 3 Modules:

Incoterms® Rules Module

A comprehensive overview of the use of the Incoterms® rules and the obligations of the seller and buyer.

Case Studies Module

Interactive case studies that allow trainees to apply their understanding of Incoterms® rules by simulating work scenarios.

Assessment Module

A series of randomly generated multiple choice questions testing trainees' understanding of the application of Incoterms® rules.

QUALITY

The course content is written by leading international trade experts.

CONSISTENCY

As the training is delivered online all trainees receive the same training - so you can be sure that your staff, regardless of location, are being trained to a consistent standard.

CONVENIENCE

Whether your company is large or small, our Learning Management System means it is very easy (and quick) for you to get your staff up and running with the training and to keep track of their progress and results.

VALUE FOR MONEY

With prices starting at EUR 199 per trainee – and discounts for volume orders – Incoterms Online Training is a very cost effective way to train your staff.

Each trainee receives access to Incoterms Online Training for one year for training and reference purposes - no incidental training costs, such as travel, accommodation, printed materials, venue, time off work, etc.
